

READY FOR INDUSTRY

From the creators of Learning Blade® for STEM and KeyTrain®/ Career Ready 101® for ACT WorkKeys®, acquired by ACT, Inc.

Ready for Industry™ (RFI) is a resource that includes self-paced courses that create a bridge between standard education and the knowledge needed to succeed in industry.

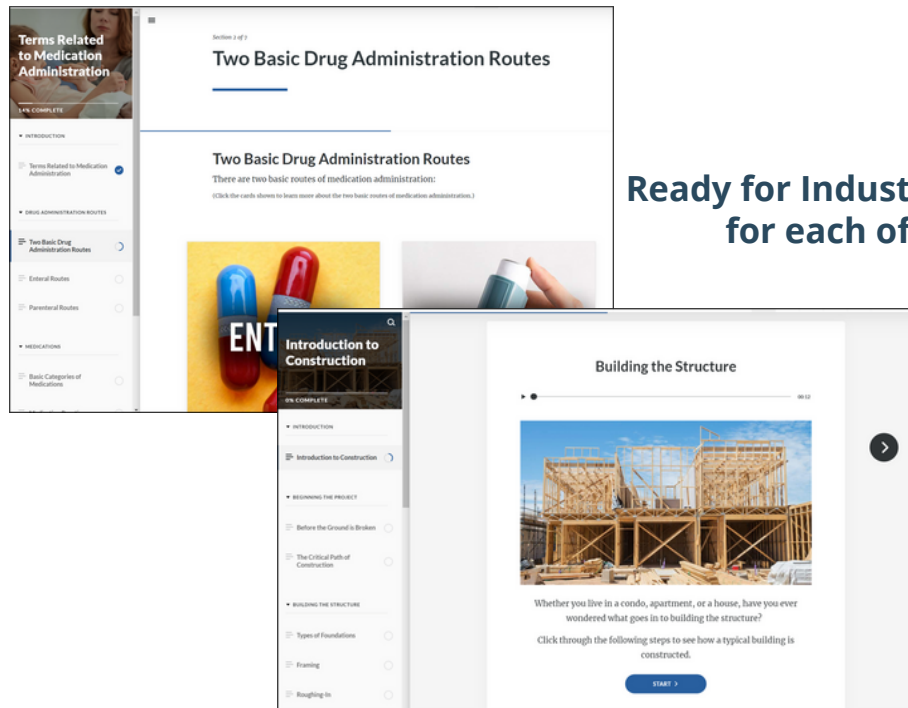

RFI addresses two gaps that exist in potential skilled workers:

- *Understanding and selecting an industry for a career path*
- *Learning the general terminology and processes that employers use to make them more productive on the job*

Ready for Industry provides separate 15-20 hour courses for each of the 5 highest-demand industries:

- ✓ **Healthcare**
- ✓ **Manufacturing**
- ✓ **Logistics**
- ✓ **Construction**
- ✓ **Information Technology (IT)**

For each of the 5 highest-demand industries, RFI provides self-paced, online instruction on:

- Introduction to the Industry
- What it is like to Work in the Industry
- Industry Terminology and Common Practices
- Workplace Expectations in the Industry
- Career Opportunities and Descriptions
- Current Issues and Trends in the Industry
- Career Pathways, Education and Certifications in the Industry

RFI prepares individuals for the workplace but is NOT a replacement for technical training.

Participants can earn a certificate of completion.
