1. PURPOSE

What is the purpose of the Office of Vocational Rehabilitation?	The Office provides vocational rehabilitation services to eligible individuals with disabilities to assist with entry or re-entry into employment and productivity in the workplace and community.
---	--

2. ROLE OF THE COUNSELOR

What is the role of my rehabilitation counselor?	The counselor's role is to provide information, resources, guidance and counseling, and choices related to your strengths, resources, priorities, concerns, capacities and abilities so that you can prepare for and enter a job. You will work closely with your counselor who has specialized training and experience. You and your counselor will jointly develop your Individualized Plan for Employment that will lead to a rewarding career.
--	--

3. ASSESSMENT

What information is needed to determine my eligibility and the services I will need?	Whenever it is possible, your counselor will rely on existing information about your disability to determine eligibility. Often educational assessments, social security evaluations, and other records you provide will supply enough information. Your input on employment related needs is vital to this process. Sometimes additional information may be necessary to determine eligibility or to explore what services you need to become employed. In these cases, other appropriate medical, vocational, technical, and education assessments will be arranged and provided at no cost to you.
--	---

4. ELIGIBILITY

How will my eligibility for services be determined?

- ◆ You must have a physical or mental impairment.
- ◆ Your impairment must result in a substantial impediment to employment.
- ◆ You must require vocational rehabilitation services.
- ◆ If you meet the criteria above, you will be determined eligible unless there is clear and convincing evidence that you cannot benefit from vocational rehabilitation services.
- ◆ If you receive Social Security disability benefits, you are considered to be an individual with a significant disability and are presumed to be eligible for services.

An eligibility decision will be made within 60 days unless exceptional and unforeseen circumstances cause a delay. If the eligibility cannot be determined in 60 days, you and the counselor must agree to a one-time extension. This extension must be signed and returned to the counselor prior to the end of the 60-day timeline or your case will be closed.

5. ORDER OF SELECTION

What is an Order of Selection and what impact will it have on my services?

If the Office does not have enough money to serve everyone who is eligible, we must first serve individuals with the most significant disabilities. Secondly, we must serve individuals with significant disabilities. If enough money remains, we may be able to serve consumers who have non-significant disabilities.

If you have a less significant disability and fall within a category we cannot currently serve, you may request to have your case placed on a waiting list. Should funds become available you will be contacted to assess your interest in services. Even if funds are not available to serve you, the Office will provide information and referrals to other agencies that may assist you in meeting your employment needs.

6. INDIVIDUALIZED PLAN FOR EMPLOYMENT (IPE)

What is an Individualized Plan for Employment?

After your counselor has determined that you are eligible, he or she will talk with you about your job interests and the best way to reach your employment goal. Your Individualized Plan for Employment (IPE) must be developed within 90 days of you being determined eligible for services. If the IPE cannot be written in 90 days, you and the counselor must agree to a one-time extension. This extension must be signed and returned to the counselor prior to the end of the 90-day timeline or your case will be closed. During this planning phase, you have the option of developing and writing all or part of your IPE with the assistance of your counselor; by yourself or with the assistance of your representative; or, you may request that your counselor write the IPE for you.

Regardless of the option you choose, the IPE must be mutually agreed upon and signed by you and your counselor. The IPE must be on Office approved forms. Technical assistance is available through the Client Assistance Program (see page 17).

7. VOCATIONAL REHABILITATION SERVICES

What kinds of services may the Office of Vocational Rehabilitation provide?

The Office may provide vocational rehabilitation services needed to reach your vocational goal. Some examples are as follows:

- Assessment for determining eligibility and vocational rehabilitation needs
- Counseling and guidance
- Vocational and other training services
- Supported employment
- Personal assistance services
- Interpreter and notetaking services
- Rehabilitation technology
- Job placement and job retention services
- Employment follow-up and post-employment services
- Information and Referral
- Pre-Employment Transition Services

8. YOUR OBLIGATION TO PAY FOR SERVICES

Will I have to pay for any services?

Many services are provided regardless of your financial situation. You and your counselor will discuss the income and resources of your household. In some cases, you may be asked to participate

in the cost of your program.

9. PURCHASE OF SERVICES

How are services purchased?

All services purchased must be approved in advance by your counselor and a written payment authorization sent to each service provider. The Office has established fees and rates of payment for services. In most cases, a service provider will accept these fees as total payment. If it is necessary for you to pay for part of a service, you and your counselor will decide on your portion prior to you obtaining the service.

10. SERVICES AND BENEFITS FROM OTHER AGENCIES

If I am eligible for similar services or benefits from other agencies, do I have to use them?

Federal law requires that you use any other benefits for which you are eligible to cover the cost of some services. These benefits may include training grants, Medicare, Medicaid, Workers' Compensation, and insurance. If you refuse to apply for and use other benefits for which you are eligible, the Office cannot pay for the planned service.

11. YOUR RESPONSIBILITIES

What are my responsibilities?

In order to be successful, you must actively participate in the development of your work plan and achievement of your employment goal. Throughout the process, you will need to work closely with your counselor in choosing an employment goal, types of services, service providers, and seeking employment opportunities. You can aid in your vocational rehabilitation by keeping scheduled appointments, staying in touch with your counselor, and working hard toward achieving your employment goal. If your counselor is unable to contact you, or you do not respond to your counselor, your case will be closed.

12. SSI/SSDI RECIPIENTS/TICKET TO WORK

What if I receive SSI or SSDI or have a Ticket to Work?

If you receive SSI or SSDI benefits, either benefits counseling from the counselor or another entity utilized by the counselor or an assessment through a qualified and authorized vendor will be provided in order to advise you on how your benefits could be affected if you choose to go back to work.

Ticket to Work is a program that may be available to some individuals who receive Social Security benefits. Your Ticket to Work is considered to be “in-use” while you are working with us. Once you’ve signed your Individualized Plan for Employment, we will submit your information to Maximus. If you are still eligible for the Ticket to Work when your case is closed, you may assign it to another agency. If you have questions or would like to learn more about Ticket to Work, you can call toll-free at 1-866-968-7842 (TTY 1-866-833-2967) or visit the website at www.chooseworkttw.net.
