Blind Services

Anyone living in Kentucky with a significant vision loss can be considered for service.

When reduced vision interferes with doing daily activities, we seek solutions for achieving greater independence.

There is no cost for program participation.

To learn if Independent Living Services are right for you,
contact our office.

800-346-2115

The services described are 90% funded by the U.S. Department of Education under the Independent Living Services for Older Individuals Who are Blind (OIB) programs and 10% funded by KY state appropriations.
