Approval of Minutes

Todd Stephens made a motion to approve the July 24, 2025 meeting minutes which were previously distributed for review. Todd Freeman seconded the motion. The motion passed and the minutes were approved.

KBE Director Report – Corey Marcum

Corey stated that updates were provided during the working lunch at general assembly.

Youth programs:

Youth Entrepreneur Summit was before the general assembly this year and had a great turnout. Next year is already being planned

Chair Report – Lynn Florence

Ms. Florence began her portion of the meeting by thanking members for their continued service and for those who attended General Assembly and/or the Youth Summit. She is excited to see where the next year brings us.

Old Business

No old business was discussed

New Business

Meazure Up Training:

Todd Stephens requested additional training regarding the new MeazureUp site visit program. He raised concerns with accessibility which Mr. Marcum reminded him that our own vendors and Jimmy Brown tested for accessibility.

Madeleine Ancona stated that she has been trying to work on a training document that is more substantial than what MeazureUp provided but due to other projects and agency needs this has been put aside until 2026. She offered that any time a vendor has a question regarding the summaries to reach out to her or their coordinator but also all the information is in the email that is sent. MeazureUp sends weekly and monthly summaries so its not always

telling the vendor that they have an open action. All information is within the email sent by MeasureUp and to make sure that vendors are reading the email fully before acting on the email.

Public Comments:

There were no public comments.

Next Meeting Date
