Section 5. To be completed by the student and parent or legal guardian (if applicable)

If a student is under 18 years of age or under a guardianship order, consent of a parent or legal guardian is required.

My signature below indicates:

- I give my permission for the named student to take part in Pre-ETS provided by the Pre-ETS provider and/or OVR.
- I give my permission for the sharing of the information on this form, as well as information needed for the provision of Pre-ETS, between the education agency and OVR or its designated contractor as a condition of the student's participation.
- I understand that OVR will utilize some of the information provided for federal reporting purposes, and that OVR will treat this information in a confidential manner. I understand that the Health Insurance Portability and Accountability Act (HIPAA) does not apply to this information, but that other laws prohibit its re-disclosure without the written consent of the student, parent, or legal guardian.
- I understand that I may revoke the consent provided in this form at any time by providing a signed and dated written notice. The consent remains valid if the student is a recipient of Pre-ETS and is strictly limited to information needed for the provision of Pre-ETS.
- I give my permission for the student to participate in Pre-ETS activities outside the school and OVR settings. I will be notified by service provider of each offsite activity prior to the activity occurring. If I do not permit the student to participate in a particular activity, I will notify the student's Pre-ETS specialist when I receive notice of the activity.
- OVR or the designated service provider may provide virtual Pre-ETS sessions (e.g., videoconferences or telephone conference calls). I understand that, except for the authorized parent or guardian, other individuals in the home are not permitted to participate or otherwise be visible or listen in on these sessions. I agree to be in a private, secure, and uninterrupted environment when receiving virtual services.
- OVR Contractor may provide virtual Group Pre-ETS sessions. During these virtual Group Pre-ETS sessions, no confidential information will be shared. However, I understand that the names and images of participating students and their authorized representatives will be visible to staff and may be visible to other participating students and their authorized parents/representatives.
- I understand that Pre-ETS are not traditional VR services. Participating in Pre-ETS does not qualify the student for VR services. The student may apply for VR services if/when there is interest or need for VR services.
