RE: Diagnostic General Medical Examination with Routine History and
Written Report

In the routine development of rehabilitation cases, the assessment of a consumer's disabilities and functional limitations require the use of existing records. When existing records do not offer adequate or essential information or the doctor will not provide requested information without reimbursement a Diagnostic General Medical examination with a routine history and written report can be authorized.

Fee Schedule

Item	Code	Allowable Rate
Diagnostic General Medical Examination with routine history and written report	0047	\$55.00
