

Social Security Disability Recipients (SSDI/SSI) – Additional Supports Available

If you receive disability benefits from Social Security, you are eligible for additional **free** work supports.

- 1) **Work Incentives Planning & Assistance (WIPA)** – WIPA projects are organizations within your community that provide benefits counseling to help you make informed choices about work. WIPAs are staffed by Community Work Incentive Coordinators (CWICs) who provide in-depth counseling about working, earning more money, and how working may affect your benefits. If you're just getting started and want basic incentive information, contact the Ticket to Work Help Line at **866-968-7842 (866-833-2967-TTY)** or check out the Ticket to Work website at www.choosework.net. If you are working, about to start work, actively looking for work, or seeking resources to get vocational training or education, you can contact one of the two WIPA providers in Kentucky:

- 2) **Protection & Advocacy for Beneficiaries of Social Security (PABSS)** – This program can help you if you have a disability-related employment issue. PABSS advocates provide legal support, advocacy and information to assist beneficiaries to resolve employment-related concerns.

- 3) **Ticket to Work (TTW)** – If you have an assignable Ticket to Work, your Ticket will be put in use with OVR once your Individualized Plan for Employment (IPE) is signed. Upon successful completion of your program with OVR, you can reassign your Ticket to an Employment Network for ongoing employment support and further CDR protection (if eligible).
