**MANDATORY GUIDANCE GOVERNING PURCHASE OF SERVICES**

The Kentucky Office of Vocational Rehabilitation (OVR) and the Office for the Blind (OFB) must comply with state and federal law concerning additional charges that may be levied against an OVR or OFB consumer. Pursuant to state law, 781 KAR 1:020 § 5, a vendor providing any service authorized by OVR and OFB is prohibited from, and **shall not charge or accept from the applicant/consumer or his/her family any payment for such service, unless the amount of such charge or payment is previously known to and, where applicable, approved in writing by OVR or OFB.**

In accordance with 34 CFR § 361.53, full consideration must be given to any comparable benefits available to the consumer under any other programs to meet, in whole or in part, the cost of vocational rehabilitation services. Such comparable benefits include, but are not limited to, Medicaid, Medicare, private insurance and /or any other health insurance and all forms of federal, state and private post-secondary financial aid.

Applicant agrees to comply, and assures the compliance of each subcontractor, with Federal requirements and guidance regarding human trafficking, including, but not limited to The Trafficking Victims Protection Act of 2000 (TVPA), as amended, 22 U.S.C. § 7104(g), 2 C.F.R. part 175, and Executive Order 13627.

Applicant certifies by submission of this application that neither it nor its principal(s) are presently debarred, suspended or proposed for debarment, by any federal or state department or agency. Applicant further certifies that if it should become debarred it will let OVR know of such debarment within 72 hours of learning of the debarment.

An Authorization for Goods and/or Services from the Office of Vocational Rehabilitation or the Office for the Blind is a guarantee of a base payment to the vendor.

**The base rate is determined by fee schedules and Service Fee Memoranda found on the OVR internet site <http://www.ovr.ky.gov> or other mechanism to establish a payment rate. Should the service provider elect not to accept an OVR or OFB Authorization for Goods and/or Services, the vendor must return the Authorization to the authorizing counselor upon receipt. The consumer will be notified by the OVR or OFB counselor that the agency will not be responsible for services provided by this vendor.**

When OVR or OFB is an involved purchaser of services, itemized bills, appropriate reports, discharge summaries, diagnostic test results must be provided to the authorizing counselor. Failure to provide such will result in payment delays to the vendor and/or service delays to the consumer.

Any overpayment to a vendor shall be reimbursed to OVR or OFB within 30 days of the time the account goes into over-payment status.

Be advised that there is a Reciprocity Agreement between the Commonwealth and the U.S. Treasury. The U.S. Treasury will intercept federal payments if the vendor owes funds to the commonwealth and the Commonwealth will intercept state payments where the vendor owes funds to the U.S. Treasury.

The applicant certifies by submission of this document that the providers of the service(s) will comply with all mandatory guidelines described above and will meet all licensing/accrediting/certification requirements of OVR/OFB as well as applicable state and federal requirements.
