**SERVICE FEE MEMORANDUM**

TO: Office of Vocational Rehabilitation Staff  
Client Assistance Program Administrator

FROM: Cora McNabb  
Executive Director  
Office of Vocational Rehabilitation

DATE: Effective February 1, 2021

RE: Low Vision Exam and List of Approved Low Vision Specialists

This Service Fee Memorandum reflects the fee schedule for Low Vision Exams in addition to a comprehensive list of Low Vision Specialists for the Office of Vocational Rehabilitation. The amount that the Office of Vocational Rehabilitation may pay for a Low Vision Exam is **\$200.00**.

Authorizations for Low Vision Exams will need to be completed using the visual fee schedule, fee item 0003. Some vendors will bill for a low vision exam using a Current Procedural Terminology (CPT) code. If you are aware that a Low Vision Exam was provided, then the bill should be paid according to the visual fee schedule, less any payments from comparable benefits.

For questions regarding low vision exams, please contact Central Office at [OVRsystemsupport@ky.gov](mailto:OVRsystemsupport@ky.gov).

## **Low Vision Specialists**

Each Low Vision Specialist is required to go through their own qualification process. The following list represents the approved Low Vision Specialists for the Office of Vocational Rehabilitation. If a provider's name is not on this list, they cannot provide services until they are approval by Central Office. In addition, this list does not confirm that the provider may do Bioptic Driving Medical Exams.
