RE: Fee Schedule for Community Rehabilitation Program (CRP)

Employment Solutions in Lexington is offering a new service which involves an additional component of skills training with a competitive employment outcome. Training in three skill areas is being offered: Automated Office Systems, Accounting/Bookkeeping, and Building Maintenance.

The fee for this CRP service is as follows:

36I	Skills Training with Competitive Employment Outcome	\$5,000
-----	--	---------

Referrals may be made to the program immediately. DVR coverage of the program may be provided for a consumer who has already entered but has not completed the program by January 1, 1998.

The normal procedure for issuing an authorization and providing payment for a Community Rehabilitation Program service is to be followed. Should a competitive employment outcome not be realized, the authorization is to be canceled in its entirety.

You may wish to reference Service Fee Memorandum MS-96-97-14, Fee Schedule for Community Rehabilitation Programs (CRP's), May 29, 1997, and the Purchase of Services from Community Rehabilitation Programs handbook.
