

WHAT TO KNOW

2023 Eligible Weeks Update

The Kentucky General Assembly enacted changes to the state's unemployment insurance program during the 2022 regular session through House Bill 4 after overriding Governor Beshear's veto of the bill.

How are eligible weeks determined after January 1, 2023?

State Average Unemployment Rate* means the seasonal adjusted statewide unemployment rate that applies to a six-month period. January 1st and July 1st. Those lookback dates will provide the average rate for the preceding months.

**United States Department of Labor, Bureau of Labor Statistics*
